

ALS LIMITED

ALS Limited is a private Company that offers aircraft leasing services to humanitarian, corporate and individual clients across Africa. ALS Limited also offers aircraft maintenance, engineering and consultancy services, ACMI Leases (Aircraft, Crew, Maintenance, Insurance), as well as chartered flights. The Company is headquartered in Nairobi, Kenya and it is one of the largest players in the East African aviation sector having been incorporated in 1999.

The Company has developed a large network of international operations, and has built a reputation for excellence in safety, operational reliability, engineering and maintenance, and customer service.

ALS operates from Wilson Airport in Nairobi, Kenya, where most of its aircrafts, staff and hangars are stationed. Its bases of operation in Africa currently include Kenya, Somalia, Sudan, South Sudan, Democratic Republic of Congo, Central African Republic, Cameroon and Djibouti.
